3) SUSTAINABLE PAWYS

CC Bryan Davies thanked the two members Mette Elise Easton and Adam Austin for attending the meeting at Pawys HQ recently. Both felt the meeting did not have a structure or a clear direction what "Sustainable Pawys" was really about. There is also concern with the boundaries of Sustainable Pawys localities. Both members have agreed to attend any future meetings which hopefully will be able to provide more information as to what "Sustainable Pawys" means to the local community. It was also proposed as the link officer he invited to attend the next meeting. CC Bryan Davies to contact "officer".

Mr Alan Jones (local resident) attended and wished to draw the community council's attention to a caravan occupied at a property up Penrhos road, and the speed in which the resident travels is very inconsiderate to walkers. Prior to the community council becoming involved it would require written complaint (s). Is this a planning issue / Police matter.

No further business was transacted. The Chairman thanked everyone for attendance and declared the meeting closed at 8.55pm.
